BLUE WAGON TIP

*Pack everything the night before.
The best tailgate parties begin
long before kickoff. They're built
on anticipation, laughter, and
traditions that make everyone
feel welcome.*

FROM THE PORCH

*Some of our favorite family memories weren't made in expensive places.
They happened around a charcoal grill, under autumn trees, wrapped in plaid
blankets, with footballs flying through the air and someone calling everyone to the table.*

We are living tomorrow's memories today.
